There aren't words pretty enough to describe this fabulous home in Rexmere Village. Despite having just been built in 2005, this home has just recently undergone a major remodel. It is STUNNING and features everything you would expect to find in a luxurious, high end home. Let's start with wonderful architectural details like arched doorways, vaulted architectural ceilings, wood laminate flooring throughout, stainless steel appliances, recessed lighting, a lovely sun room/den opening (via pretty french doors!) to a charming open-air rocking chair front porch and attractive landscaping. The en suite master bedroom has mirrored closets and his and her sinks in the adjoining tiled bath. If that isn't enough, this wonderful home comes pre-decorated by a professional and renowned interior designer! (Furniture package available at a small additional cost.) Finally, you will always be comfortable inside this oasis of a home thanks to central air/heat, and ceiling fans providing pleasant air circulation throughout. And, like all homes in this desirable lakeside community, you will appreciate the off-street covered parking, your own 7x7 outdoor storage shed, and access to the community's extensive recreational amenities including fitness, tennis, basketball, shuffleboard, putting green, clubhouse, sauna, heated pool complex, lake recreation and more. Welcome to Rexmere Village!
